APPLICATION PACKET FOR SPECIAL LAND USE PERMIT AND/OR SITE PLAN REVIEW

APPLICANTS TAKE NOTICE OF THE FOLLOWING:

All applications must contain **each and every page** from this application packet, including the checklist and any unused pages. If your application does not include all items, it will not be received by the Clerk's Office.

Please use only the forms provided with this application. **No other forms**, however similar, **will be accepted.**

Michael D. Koehs, CMC
Township Clerk

CHECKLIST OF DOCUMENTS REQUIRED TO COMPLETE THIS APPLICATION:

Please place a check mark in the box next to each item as you assemble the following required information. When complete, submit the completed application package to the Macomb Township Clerk's Office.

- One (1) original copy of the completed Site Plan Review Application, found on page 4.
- Payment of review fee according to the schedule below. Please make your check payable to **'Macomb Twp. Treasurer' (Non refundable)**
 - Site Plan Review (SPR): \$1,819.00 (\$1,169.00 for review costs & \$650.00 for public hearing costs).
 - SLU WITH SPR: \$2,069.00 (\$1,169.00 for review costs & \$900.00 for public hearing costs).
- Seventeen (17) copies of Site Plan, drawn to scale, tri-folded, signed & sealed. The site plan must meet the submission requirements in §10.2402 B of the Zoning Ordinance. The site plan drawings must include all driveways within 100 feet of subject site both adjacent to and on the opposite frontage including median turnaround lanes and turnarounds on divided highways. All required site plans, floor plans, landscape plans with plant list, building elevations, signs, and featured elements such as curb details and light standards are encouraged to be included on no more than three (3) sheets measuring 24" x 36"
- Seventeen (17) copies of Floor Plan(s)
- Seventeen (17) copies of Elevation Drawing(s).
- Seventeen (17) copies of Landscape and Lighting Plan in accordance with §10.0342, §10.2402 of the Zoning Ordinance and §17-140 of the Land Division Ordinance. All landscape plans must be prepared, sealed and signed by a Registered Landscape Architect, and shall include setback and height dimensions of all proposed structures (including signs and walls).
- One (1) completed Review Checklist, found on pages 12 through 14, to be completed by the professional preparing the plans. **(This checklist is intended to assist in the preparation and review of plans, and shall not replace a full review of the Zoning Ordinance standards.)**
- For each proposed development unit that will include more than one school district, the proprietor must submit written documentation, in a form acceptable to the Township Assessor, verifying the school district to which the future lot(s) will be associated. Said written documentation must include signatures of approval from each affected school district.
- Is the application submitted for a Condominium project? Yes or No
If yes, include all of the following: Survey Plan Unit Plan Utility Plan Master Deed/Bylaws
- One (1) copy of the Documentation Supporting the Request form, found on page 5. This is required for a revised site plan and is optional for all other applications.
- One (1) original copy of Affidavit of Ownership form, found on page 6.
- Two (2) copies of proof of interest in the property (i.e. deed, land contract, lease, purchase option, etc.)
- One (1) original copy of the Verification of Recorded Legal Property form, found on page 7. This form **MUST** be signed by the Township Assessor.
- A Cost Estimate of Site Improvements, excluding buildings, **must** be provided and broken down into quantities and unit prices.
- One (1) copy of a completed Sign Application form (if applicable), found on page 10. (See §10.0319 of the Zoning Ordinance.)
- Six (6) copies of a Crop Management Plat, **if applicable**. See the attached list of requirements, found on page 11. (see Article IV, §10.0403 of the Zoning Ordinance)

SITE PLAN REVIEW PROCESS

- Step 1:** Applicant submits a completed Application packet with 17 copies of a Site Plan drawn in compliance with §10.2402 of the Macomb Township Zoning Ordinance.
- Step 2:** Copies of the application and site plan are sent to the department heads for review and recommendation. Results of the review shall be communicated to the applicant.
- Step 3:** If the reviews from step 2 require revisions to the plans, the Clerk's Office will notify the applicant in writing, requesting they submit revised plans. Once received, the revised plans will be sent for another review by those expressing concern in Step 2.
- Step 4:** Once all of the departments recommend approval of the plans, the item will be placed on the next available Planning Commission agenda for consideration. The Clerk's Office will notify the applicant of the meeting date and of their requirement to be present to answer any questions.
- Step 5:** If the applicant is requesting a Special Land Use Permit, the Clerk's Office will publish a notice of the request in a local newspaper 5 to 15 days prior to the hearing date, to inform the public of the time and place said application will be heard.
- Step 6:** Notices will be sent to owners and occupants of property within 300 feet of the subject property (see §10.2401.B.4.a. and §10.2402.C.1.a.), which will describe the nature of the request, indicate the property in question, state when and where the hearing will take place, and when and where written comments may be received.
- Step 7:** The Planning Commission shall review such application against standards contained in the Township Zoning Ordinance (see §10.2401.5. and §10.2402.C.3.), Township Planning documents, other applicable ordinances, and State and Federal statutes.
- Step 8:** After holding the public hearing the Planning Commission will take action on the request. They may choose to approve, approve with conditions, or deny the request. The Approval of a Special Land Use Permit or Site Plan, together with any and all conditions imposed, shall be recorded in the minutes of the Planning Commission (see §10.2401.B.5.d.).
- Step 9:** If a Special Land Use Permit is approved, the Clerk's Office drafts a Notice of Special Land Use Permit. Said Permit shall remain unchanged except upon mutual consent by the Planning Commission and the landowner (see §10.2401.B.5.d.).
- Step 10:** If the Site Plan is approved, approval is conveyed for one (1) year. A building permit must be applied for by the expiration date, or an extension of the deadline must be requested from the Planning Commission prior to the expiration date (see §10.2402.6.). The Township may require that the applicant post a cash deposit, certified check, irrevocable bank letter of credit or surety bond (amount to be determined by the Planning Commission) to ensure completion of all site improvements within two (2) years from the date of approval (see §10.2402.7.).
- Step 11:** The Applicant and/or Applicant's Representative will be notified in writing of the Planning Commission's action. The applicant will be sent a copy of the Notice of Special Land Use Permit, if applicable, and will be notified of any conditions imposed and of their requirement to deposit a bond, cash surety or letter of credit in the amount sufficient to cover the cost of improvements associated with the site plan. No building permits will be issued until all conditions of approval, including posting of any necessary bonds, have been satisfied.
- Step 12:** The Notice of Special Land Use Permit shall be recorded with the County Register of Deeds (see §10.2401.B.5.d.).

ALL APPLICANTS TAKE NOTICE OF THE FOLLOWING:

1. **Attendance Required at Public Hearing.** The Macomb Township Planning Commission requires the Applicant or the Applicant's Representative to be present at the Public Hearing, otherwise the item will be tabled to another meeting date.
2. **Planning Commission Policy Regarding Request To Table.** Should the petitioner request the tabling of a scheduled matter, an amount equal to one-half the original fee shall be charged. Unless the matter is scheduled to a specific future meeting date, in which case no fees apply, said fee shall be remitted to the Township within ten (10) working days of the rescheduling of the matter. If the fees are not paid, the matter may be withdrawn from the agenda.
3. **Department Reviews.** Submittal of this application does not imply that the plans are acceptable, the review of the information by all departments and agencies will indicate if they are acceptable
4. **Forms.** Please use only the forms provided with this application. No other forms, however similar, will be accepted.
5. **Expiration Date.** Site Plan Approval is valid for one (1) year from the date of approval and may be extended by the Planning Commission, if the applicant makes a request in writing BEFORE the expiration. Note: It is not the Township's responsibility to notify you prior to your project expiration date. Failure to apply for an extension before the expiration date will require a new submittal, as the process starts over from the very beginning! (see §10.2402.6.)
6. **Submittal Deadlines.** All applications will be processed the day they are received, provided the application is submitted prior to 2:00 p.m. All applications received after 2:00 p.m. will be processed the next business day. This means that an application submitted at the end of the day on Friday will not be processed until the following Monday morning.
7. **Fees.** In addition to the application fees, a fee of \$100.00 per ½ hour shall be charged for meetings with staff or planning consultant; actual costs will be charged for meetings with the engineer or attorney.
8. **Multiple or Partial Parcel Applications.** Should the proposed development include more than one, or a portion of a parcel, it may be accepted for review by the Clerk's Office. However, such applications may only be considered for approval with a condition that no building permit be issued until all required parcel splits and/or combinations have been executed to the Township Assessor's satisfaction. No building permits will be issued by the Township until the Clerk's Office is notified of these approvals.
9. **Application Processing; Placement of Issue on Planning Commission Agenda.** The review process as described on page 2 will govern the timing of the application. Site Plan reviews, and re-reviews will continue per steps 2 and 3 as described until all departments recommend approval of the plan. At any time after the first departmental review, the applicant may request the item be placed on an agenda of the Planning Commission despite any negative recommendations. The Clerk's Office will comply with said requests received in writing; however, placement on a Planning Commission agenda does not guarantee approval of the site plan. This policy is intended to provide the applicant with a means to receive Planning Commission review when they may not agree with internal comments. If the item is placed on an agenda and is tabled by the Planning Commission or applicant at the meeting, the tabling fee as described in item #2 above, will apply.
10. **School District Boundaries (for residential condominium applications).** All residential developments that include or abut a school district boundary shall indicate the location of the boundary on the site plan. For each proposed development unit that will include more than one school district, the proprietor must submit written documentation, in a form acceptable to the Township Assessor, verifying the school district to which the future lot(s) will be associated. Said written documentation must include signatures of approval from each affected school district.

SIGN APPLICATION CHECKLIST

- One (1) completed Sign Application form, found on page 10.
- Seventeen (17) copies of Site Plans locating freestanding signs. All plans shall be drawn to scale and folded.
- Seventeen (17) copies of building elevations depicting wall signs.
- Seventeen (17) copies of sign details, in plan and elevation view, and accurately dimensioned depicting the location, size, type, heights, lighting, lettering, color, materials and construction. (Please refer to §10.0319 of the Zoning Ordinance for specific area and height requirements). Details shall be required to show details of other existing or planned identifications for the business in question. It is preferred to be on the same sheet, however it may be part of site plan or on a separate sheet.

When plans clear the initial department reviews, 9 additional plans will be required for the Planning Commission Public Hearing.

SIGN APPLICATION PROCEDURE

Step 1: Applicant submits completed application.

Step 2: Review Process is different for different sign types:

- Applications for wall signs and sign face replacements shall be reviewed internally (see §10.0319(B,3)). The application is forwarded to the Township department heads for review. Each department head will respond in writing (either to approve, approve with conditions or to deny) to the Clerk's Office. The Clerk's Office then determines whether the sign permit may be issued, and communicates the results to the applicant in writing. Any denial must be accompanied by the basis for denial.

- Applications for ground, temporary, portable, billboards and off-site signs must receive approval from the Planning Commission (see §10.0319(B,3)). This may be as part of a Site Plan approval process, or as a separate application. The Planning Commission will review the application for conformance to the Zoning Ordinance regulations and act accordingly to approve, approve with conditions or deny the application. The application is then forwarded to the Building Official for review and action.

Step 3: Results of application review shall be communicated to applicant.

Step 4: If approved, applicant must post a cash bond in the amount of \$500.00 to assure the construction of the sign as approved. If a ground sign is approved as part of a Site Plan Review application, this cost may be included in the site plan bond collected for the project (therefore, eliminating the need for a separate bond here), provided it was included in the Cost Estimate of Site Improvements when submitted with the original application.

Step 5: The applicant must then receive their building and electrical permits from the Building Department.

Step 6: Applicant installs signs, receives all necessary inspections, and obtains approval by the Building Department. At this point, the applicant may submit a written request to the Clerk's Office to release the bond.

Step 7: The Clerk's Office will process the bond release request. The bond may be returned to the applicant after proper installation of the sign, receipt of final inspection verification, and formal authorization by the Township Board.
