## DADDIES AND DAUGHTERS DANCE THE NIGHT AWAY

Dads and daughters gathered for a night of fun for the annual Parks and Recreation Daddy-Daughter Dance. With the theme "Be Our Guest," many girls embraced their inner princess and dressed as Belle. ## HELP PRIORITIZE ROAD REPAIRS

The Macomb Township Residential Road Improvement Program was created to help address the residential roads that are in greatest need of repair. Macomb County, Macomb Township, and property owners all contribute toward the cost of the road reconstruction project, through the County's Subdivision Road Reconstruction Program. For a road to be considered under this program, the pavement must be beyond repair. Repair work, such as replacing only sections of bad pavement does not qualify. For more information, check out the [WEBSITE](#).

## AS THE WEATHER WARMS, GET YARD WASTE READY
