## Supervisor Viviano presents 2023 State of Macomb Township address

Township Supervisor Frank Viviano presented the State of the Township address on May 12, highlighting exciting future projects and recent successes for the community. Over the next year, the Township will be finalizing several road and park projects including the opening of Garfield Road from 22 Mile to 23 Mile. Two new parks have also joined the Township's park system: Pitchford Park, about 16 acres, and Paul and Annette Lucido River Park, roughly 20 acres. Even with a number of community expansions and improvements, Township residents will save over \$1 million annually in spending after the Township Board restructured expenses. It's an exciting time to be a Macomb Township resident!

## Clerk Kristi Pozzi recognized with prestigious award

The Michigan Association of Municipal Clerks voted Macomb Township Clerk Kristi Pozzi as Township Clerk of the Year this June! Clerk Pozzi has worked tirelessly over the last 7 years towards the betterment of the Township. Her hard work has paid off and was recognized by hundreds of clerks across the state. Congratulations, Clerk Pozzi!

## Township awarded \$5 million from State for long-awaited road update

Macomb Township Leon Drolet successfully lobbied the State to secure funding for long-awaited updates to Broughton Road this July. The efforts led to the allocation of \$5 million to Macomb Township to support the crucial connection of Broughton Road, linking 25 Mile to 24 Mile. The grant marks a significant stride towards the exciting vision of a connected Town Center, encompassing Town Hall, the Recreation Center, Public Library and other community elements.

# New playscape and scoreboards installed at Macomb Corners Park

Several exciting updates to the Macomb Township park system have been completed! This summer some new equipment was added to Macomb Corners Park on 25 Mile Road. Brand new scoreboards were added to the baseball fields with an easy-to-use app that lets parents and coaches change the score from the benches. On top of that, the old playscape was replaced, making more room for kids of all ages to join the fun. Come check it out!

# NFL Star meets local youth football team

Former NFL Star, Super Bowl Champion and ESPN Analyst, Lomas Brown, was invited by Township Supervisor Viviano to speak to the Township's youth football club, The Macomb Mustangs. Lomas met Macomb Township's future pro-football players and shared his invaluable insights about the game. It was a memorable day for the future stars of Macomb, and we're grateful to Lomas for encouraging the team to work hard for their goals!

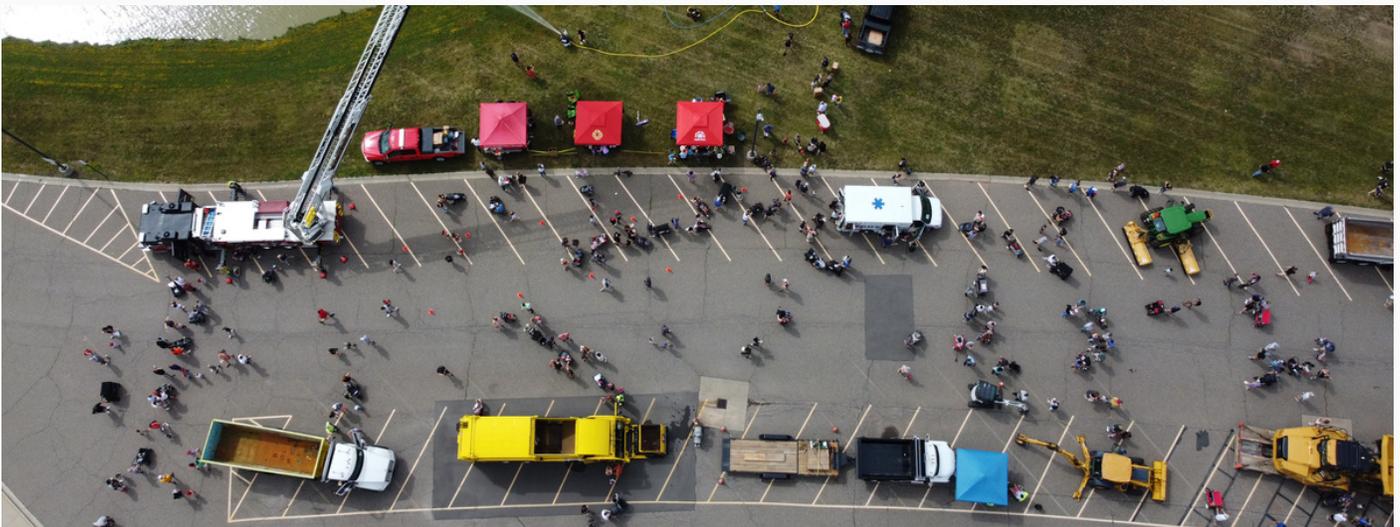

## Historic Town Hall officially relocated to future Town Center

Macomb Township's historic Town Hall building was officially relocated from Romeo Plank Road to Broughton Road! The 1919 building will sit across from the Township Recreation Center, Public Library and current Town Hall. With the move, the Township is another step closer to rounding out the future Town Center Square.

## Township showcases mighty machines at Tons o' Trucks event

Macomb Township's Parks and Recreation Department held one of the biggest events of the season back in June. The Tons o' Trucks showcased an array of trucks, from Township firetrucks to towering monster trucks and sturdy farming tractors. On top of the showcase, there were events and activities for people of all ages! As always, events like these showcase the vibrancy of our Township. We can't wait to see everyone again next year!

## Marvin Blank Senior Center completes charming outdoor updates

Senior residents can now enjoy an outdoor patio and bocce ball courts at the Marvin Blank Senior Center! The outdoor updates were completed earlier this summer as part of phase I of planned renovations. Not only are our seniors able to enjoy the beautiful outdoor setting, but they also have additional indoor space to enjoy expanded programming. Seniors interested in joining the center's Bocce Ball League can keep an eye on our website for next year's registration information.

Thursday, October 8  
from 11 AM to 2 PM

Visit [macomb-mi.gov](http://macomb-mi.gov) for more information.

## Township works hard to help residents during water main break

After a water main break on 24 Mile Road caused a boil water alert, Township officials distributed over 1,700 cases of water to Macomb Township residents. The Great Lakes Water Authority and the Township's Department of Public Works collaborated to fix the water main, test for bacteria and ensure residents had access to clean water as soon as possible. State Representative Joseph Aragona, Congressman John James' and Congresswoman Lisa McClain's staff, and Township employees distributed water over two days.
