MTPR hosts egg-cellent Easter event for the whole family!

Macomb Township Parks and Recreation Department hosted another amazing event on March 16, with their annual Easter Egg-stravaganza! This event was fun for the whole family between attending a magic show, playing with rabbits at the petting zoo, meeting the Easter Bunny and strolling along the hippity-hop trail for some delicious Easter candy. MTPR hosts amazing events all year round, and we encourage you to check them out! Visit www.macomb-mi.gov to find more details about MTPR's special events.

Special Election announced for L'Anse Creuse and New Haven school districts

A special election for L'Anse Creuse Public Schools and New Haven Community Schools has been set for Tuesday, May 7, 2024. Only Macomb Township residents living in areas of these school districts will be able to vote in this special election. For information on the bond proposals, please contact the LCPS and NHCS Superintendents.

*LCPS Superintendent's Office: (586)783-6300 or www.lc-ps.org.
NHCS Superintendent's Office: (586)749-5123 or www.newhaven.misd.net*

MTFD Sergeant recognized for Fire Academy Program completion

Macomb Township Fire Department's own Sergeant Jim Peterson was recognized during the Township's Board of Trustee meeting for completing the National Fire Academy's two-year Managing Officer Program. Sgt. Peterson is the first member of the MTFD to complete the program, and the Township couldn't be prouder of his accomplishment. We're so lucky to have these amazing firefighters constantly improving upon their firefighting and leadership skills to better protect our community. Congratulations, Sgt. Peterson!

June 15, 2024, from 10:00 AM to 1:00 PM

Seneca Middle School

Keep an eye on www.macomb-mi.gov for more details!

A Helping Hand...

April is Stress Awareness Month! We've all experienced stress in our lives, whether it's positive stress or negative. Here are some helpful tips for managing stress for you to try out.

Get Some Sleep

Not getting enough sleep can make feelings associated with stress worse. Try getting into a healthy sleeping routine to ensure you get restful night's sleep. Remember to turn off your electronics about 30 minutes before going to bed.

Be Sure To Exercise

Exercising is a great way to manage stress and boost your mood. Exercise can look like whatever you want, whether that's going to the gym, playing a sport or dancing to your favorite songs.

Do Something You Enjoy

When you have a lot on your plate, it's easy to forget to take a break and enjoy yourself. Whether it's reading a good book, taking a walk or treating yourself to some ice cream, make sure to take at least 15 minutes to unwind with something that makes you happy.

Take a Breath

Take a minute and breathe in deep. Controlling your breath can help lower your heart rate and reduce stress hormone levels in the blood.

Township continues to prioritize pedestrian pathways through gap closure program

Macomb Township will continue to prioritize pedestrian accessibility in 2025 after the Board of Trustees authorized design work to begin for 2025 Pathway Gap Closure Program. The goal of the program is to complete pedestrian pathways along major roads throughout the Township. In 2025, the pathway gaps on both sides of 24 Mile Road between Hayes Road and Garfield Road as well as the east side of Garfield Road, north of 24 Mile Road will be completely closed. We look forward to continuously enhancing pedestrian accessibility and safety.

Construction Update: Excellent progress on Garfield Rd. extension

Excellent progress is being made for the extension of Garfield Road from 23 Mile to 25 Mile! With all the hard work that took place of the fall and winter, the project is anticipated to be completed ahead of schedule. Residents should be able to enjoy the new road this summer after the pavement and asphalt are put down.
