## Carbon Monoxide Detectors donated to Township by MSGCU

The Macomb Township Fire Department was recently given \$1,000 worth of carbon monoxide detectors to install for residents by the Michigan Schools and Government Credit Union! This extremely important donation helps move the MTFD closer to accomplishing the goal of ensuring every residence in our community has a working carbon monoxide detector. We appreciate MSGCU's generosity towards our community! Residents in need of a carbon monoxide detector may obtain one by contacting Fire Prevention at (586)286-0027 or [fireprevention@macomb-mi.gov](mailto:fireprevention@macomb-mi.gov).
