MTFD welcomes firefighter Anthony Poma to full-time ranks

Macomb Township Fire Department is proud to announce the promotion of firefighter Anthony Poma to full-time status. Firefighter Poma, who joined the department as a Paid-on-Call firefighter in July 2019, has demonstrated unwavering dedication, professionalism, and a strong commitment to serving the community over the past several years. With years of hands-on experience under his belt, Poma is well-prepared for this next step in his fire service career. We are excited to officially welcome Firefighter Poma to the full-time ranks and look forward to the continued impact he will have on the safety and well-being of Macomb Township.

One of two new fire engines arrives to MTFD

At the end of March, the Macomb Township Fire Department proudly took delivery of a brand-new fire engine, an exciting addition to our fleet that strengthens our commitment to protecting the community. A second engine is expected to arrive at the beginning of April to complete this major investment in public safety. Both engines were custom built in Louisiana and have been in the works since October 2022. We're thrilled to see these long-anticipated trucks roll into service and are confident they will serve our residents with reliability and efficiency for years to come.

New Township Magazine hitting mailboxes this month

We're thrilled to announce that the inaugural edition of the Macomb Township magazine will be arriving in mailboxes toward the end of the month! This new publication will be released three times per year and is designed to help us connect with all our residents by sharing Township news, community spotlights and important updates. You'll still find all the recreation program and event information you're used to seeing from the former REACH brochures, just with a fresh new look and expanded content. We can't wait for you to check it out!

Yard waste pickup resumes April 1, 2025

Yard waste pickup resumes for the season on April 1, 2025! Residents are reminded to have all yard waste placed at the curb by 7:00 a.m. on their scheduled pickup day to ensure collection. Yard waste must be placed in one of the following: a 95-gallon yard waste cart, a 32-gallon metal or plastic container clearly marked with a yard waste sticker, or biodegradable paper yard waste bags. For full details on yard waste guidelines and other trash services, please visit www.macombtwp.org/trashservices.
