Township Gardening Group plants Heritage Garden around Historic Town Hall

The Heritage Garden Project that has been in the works for nearly two years has finally come to fruition thanks to some amazing volunteers in the community. Planted around Historic Township Hall, the Heritage Garden features tree and plant species that are native to Michigan and are period specific to the time Historic Township Hall was built. A few of these species include Northern Red Oaks, Tulip Trees, Eastern White Pines, Chestnut and Sugar Maples. The garden would not be possible without the hard work of Kathi Piepenbrok, Nethanya Fonseka, Ramila Fonseka and Jennifer Ott.

Supervisor Viviano delivers the 2025 State of Macomb Township address

On June 13, Supervisor Viviano gave the annual State of the Township address at Dakota High School! The presentation touched on all the exciting things happening in our community, from road projects and GIS map portals to park improvements, as well as plans for the future. If you weren't able to attend the presentation, don't worry! A full recording will be available on our website and YouTube channel soon. Keep an eye on our social media pages for the announcement.

MTFD participates in annual Great Lakes H.O.T. Training Conference

Some of our Macomb Township firefighters participated in the annual Great Lakes H.O.T. Training Conference, Michigan's premiere fire conference that provides training for firefighters to be more aggressive and effective. The Macomb Township Fire Department was also proud to host part of the hands-on conference training at the Station 3 burn house. We're proud of our firefighters for continuously pursuing opportunities to improve and learn how to better serve our growing community, and we were thrilled about the opportunity to collaborate with departments around the country for advanced training.
