Township awarded planning assistance grant for town square pedestrian pathways

The Heritage Garden Project that has been in the works for nearly two years has finally come to fruition thanks to some amazing volunteers in the community. Planted around Historic Township Hall, the Heritage Garden features tree and plant species that are native to Michigan and are period specific to the time Historic Township Hall was built. A few of these species include Northern Red Oaks, Tulip Trees, Eastern White Pines, Chestnut and Sugar Maples. The garden would not be possible without the hard work of Kathi Piepenbrok, Nethanya Fonseka, Ramila Fonseka and Jennifer Ott.

Join our team! Check out the open positions in the Fire and Building Depts.

On June 13, Supervisor Viviano gave the annual State of the Township address at Dakota High School! The presentation touched on all the exciting things happening in our community, from road projects and GIS map portals to park improvements, as well as plans for the future. If you weren't able to attend the presentation, don't worry! A full recording will be available on our website and YouTube channel soon. Keep an eye on our social media pages for the announcement.

Fall edition of Township Magazine will be in your mailbox soon

Look out for the latest edition of the Macomb Township REACH Magazine heading to your mailbox this month! The fall edition features exciting outreach being done by our Township Fire Department to spread the word about fire prevention, and it includes a welcome to some of the Township's newest locally owned businesses. On top of that, you'll see all the same exciting class and program offerings provided by our Parks & Recreation Department. Registration for all classes and programs will begin at the end of the month. Happy reading!
