# THE MACOMB MINUTE

A Monthly Newsletter from Macomb Township

## Check out the spooky sights around Macomb Township!

Macomb Township knows how to do Halloween! Our insanely creative residents brought Halloween to life with some spine-tingling displays that you won't want to miss. Come see why we're calling it Haunted Macomb! Several homes in our community go above and beyond to bring the spooky vibes to Macomb Township. Check them out using the Halloween Map created by the Macomb County Michigan Residents Group and affiliated resident groups by visiting the Macomb Township website.

## MTFD welcomes four firefighters to the full-time ranks

Macomb Township is thrilled to welcome four firefighters to the Macomb Township Fire Department's full-time ranks! Three of our MTFD part-time firefighters were promoted to full-time, and the department welcomed one new member to the crew. We'd like to congratulate Joshua, Steven, Derek and Tyler on their new positions. At Macomb Township, we always ensure residents' health, safety and welfare are always at the forefront of what we do. We thank these four for committing to protecting our community and providing the highest quality services to our residents.

## Celebrate Fire Prevention Week by Charging into Safety!

Fire Prevention Week is October 5 through October 11, and this year's campaign focuses on lithium-ion battery safety in your home! When it comes to lithium-ion batteries, remember the three important fire safety steps from the National Fire Prevention Association:

- Buy only listed products with safety certifications.
- Charge devices safely by using the proper cords and unplugging or removing the battery when it is fully charged.
- Recycle your device or battery at a safe battery recycling location, which can be found at [call2recycle.org](http://call2recycle.org).

**CHARGE**  
**into Fire Safety™**

**Lithium-Ion Batteries in Your Home**

- BUY only listed products.
- CHARGE devices safely.
- RECYCLE batteries responsibly.
