Community Foundation Michigan Awards Macomb Township Grant To Make Community More Accessible

Macomb Township, Mich., — Macomb Corners Park will be a little more connected to the community after Macomb Township was awarded a grant to create sidewalks between the park and the recreation center.

The township applied for and was awarded a \$50,000 grant from the Ralph C. Wilson Jr. Legacy Funds. These funds help finance projects that support the things Ralph C. Wilson Jr. deeply cared about, including caregivers, community accessibility and youth sports.

The grant will allow the township to make our community more friendly for walkers and bikers. Connecting the different parts of our township with sidewalks will put us in an even better position to grow our community.

“Our township is growing at an explosive pace, and we want to ensure the infrastructure keeps pace,” said Macomb Township Supervisor Frank Viviano. “We’re grateful to be given this grant and the opportunity to expand the foundation of our community.”

The Community Foundation for Southeast Michigan is a full-service philanthropic organization leading the way to positive change in our region. As a permanent community endowment built by gifts from thousands of individuals and organizations, the Foundation supports a wide variety of activities benefiting education, arts and culture, health, human services, community development, and civic affairs.
