Township Honors Longest-Serving Employee's Retirement

August 23, 2023, named 'Lori Carly Day' in Macomb Township

Macomb Township, Mich. – Macomb Township celebrated the retirement of one of its most dedicated and esteemed employees during the Board of Trustee meeting on Wednesday, August 23, 2023. Having served the Township for an impressive four decades, Lori Carly's retirement marks the end of an era defined by unwavering commitment, exemplary service and countless contributions to the betterment of the community.

Lori joined the Township in 1983 holding roles in both the Building Department and Department of Public Works, formerly Water and Sewer Department. Lori was known for her collaborative spirit and exceptional work ethic, serving as an example of teamwork and dedication. Her colleagues know her as someone who brought a wealth of knowledge and experience to the table.

"She's an outstanding gal, an outstanding employee and an outstanding person," said Gerry Wangelin, former director of the Department of Public Works. "Her detail and dedication to her job was outstanding, and you don't see that a lot anymore."

What truly set Lori apart was not just her remarkable work ethic and encyclopedic memory, but her ability to infuse every day with a sense of fun and eagerness. Lori's colleagues say she's not only a great coworker, but a good-natured person and a true friend.

"You experienced the busiest of times when we were the fastest growing community for years—we might still be—which were great times for the Township, as well as tragedy along the way. You were our rock through it all," Assistant Superintendent of the Department of Public Works, Ed Koenig, said to Lori.

In honor of Lori's service to Macomb Township, the Township Board of Trustees has named August 23, 2023, 'Lori Carly' Day. As the Township says goodbye to a truly exceptional employee, her day not only acknowledges her contributions but also reminds of the lasting impact of a life dedicated to service. Lori continues to be an inspiration to community, reminding us of the value of dedication, teamwork and a passion for service.
