## Offer Extended for Property Purchase by Township Officials

Land to help alleviate parking shortage for Fire Station and Senior Center

*Macomb Township, Mich.*, -- A purchase offer has been extended to the owner of a property on 23 Mile Road between Card Road and Romeo Plank Road by Macomb Township Supervisor Viviano after being authorized by the Board of Trustees during the November 21, 2023, meeting.

Township officials have been working with the owners of 19975 23 Mile Road to broker a deal that would help both the Township and homeowners. The house has been inhabitable for years after suffering damage from a storm, among other issues.

"The Township is pleased we were able to come to agreement. This will not only benefit the Public Safety Building, but the neighboring residents and the homeowners themselves. They will be relieved of having to make some very costly repairs," said Macomb Township Supervisor Frank Viviano.

Both the Township and homeowners came to an agreement for the Township to purchase the land. An offer of \$200,000 was extended for the property. Once the property is officially acquired by the Township, it will be utilized by the neighboring Public Safety complex and Township Senior Center.
