Parks and Recreation Fund – 208

Purpose

To provide a comprehensive parks and recreation program for our residents. This includes, but is not limited to, a Recreation Center with aquatics, gymnasium and workout areas and instructional, athletic and passive programs for all ages. This fund is also used for special events geared primarily for families and park operations

Activities

To perform the care and management of the Macomb Township Recreation Center which opened its doors on July 19, 2004. This state of the art 57,000 square foot facility offers 2 pools (with water slide, a lazy river and other water features), a gymnasium, aerobics room, complete workout area, running track, soft play indoor playscape, child watch room, teen room and a party room. On June 18, 2007 the Recreation Center opened its phase II expansion which includes a second gymnasium, improved and expanded workout facilities, an improved figure eight running track, an additional party room for a total of 92,000 square feet.

To provide a comprehensive recreation program to the residents of Macomb Township.

To perform the care and management of the townships three parks totaling 126 acres including the following:

Revenues in this fund come from Township tax collections, employee contributions and investment income. Expenditures are comprised of employee pension payments and administration costs.

Resources Needed

The obligation to contribute to and maintain the system for these employees was established by a vote of the taxpayers in 1988 and requires a contribution from the employees of 5 percent of gross base wages. The funding policy provides for tax collections at actuarially determined rates that, expressed as percentages of annual covered payroll, are intended to accumulate sufficient assets to pay pension benefits when due. Administrative costs of the plan are financed through investment earnings.
