- Step 3:** If plans are acceptable, a Public Notice will be sent out to Owner and Adjoining Property Owners within 300 feet of the property in question.
- Step 4:** The Planning Department will inform the Applicant or Applicant Representative of the date and time for the Public Hearing.
- Step 5:** At the Public Hearing, the Planning Commission will give its report, recommending approval or denial of the Preliminary Plan to the Township Board of Trustees. A letter shall be sent to the Applicant or the Applicant's Representative stating the recommendations specified.
- Step 6:** The Township Board of Trustees will consider the Preliminary Plan at the next regular Township Board of Trustees meeting. The Board may reject or approve the Preliminary Plan, the reason for their decision must be in writing.
- Step 7:** A letter will also be sent to the Applicant and/or Applicant's Representative.
- Step 8:** The Petitioner must file an application for Final Plan approval within one year's time or the Preliminary Plan approval will expire. The Township Board may extend the time for one additional year upon request in writing prior to the expiration date.

## **ALL APPLICANTS TAKE SPECIAL NOTE OF THE FOLLOWING:**

1. **Expiration Date.** Preliminary Site Condominium Approval is valid for one year from the date of approval and may be extended by the Township Board, if the applicant makes a request in writing BEFORE the expiration. Note: It is not the Township's responsibility to notify you prior to your project expiration date. Failure to apply for an extension before the expiration date will require a new submittal, as the process starts over from the very beginning!
2. **Phasing Plan.** If a 'phasing plan' has not been submitted it is assumed that this subdivision will be developed in one phase. Any and all revisions to the phasing plan must be reviewed and approved by the Planning Commission and Township Board and incorporated into the Preliminary Plan. Changes to the phasing plan will not be allowed unless it is part of a new application.
3. **Submittal Deadlines.** All applications will be processed in the order they are received and in a timely manner.
4. **Planning Commission Policy Regarding Request To Table.** Should the petitioner request the tabling of a scheduled matter, an amount equal to one-half the original fee shall be charged. Said fee shall be remitted to the Township within two working days of the rescheduling of the matter. If the fees are not paid, the matter will be recommended for denial.
5. **Department Review.** Submittal of this application does not imply that the plans are acceptable, the review of the information by all departments and agencies will make recommendations to the Planning Commission, who will indicate if they are acceptable.
6. **Preliminary Approval.** Approval of the preliminary plan does not constitute final approval of the development, but rather confers on the Proprietor the right to proceed with the preparation of the final plan for approval.
7. **Attendance Required at Public Hearing.** The Macomb Township Planning Commission requires the Applicant or the Applicant's Representative to be present at the Public Hearing, otherwise the item will be tabled to another meeting date at the applicant's expense of ½ the original fee.
8. **Site Improvements.** No site improvements may be made or units sold at this time.
9. **Fees.** A fee of \$100.00 per ½ hour shall be charged for meetings with staff or planning consultant; actual costs will be charged for meetings with the engineer or attorney.
10. **Multiple or Partial Parcel Applications.** Should the proposed development include more than one, or a portion of a parcel, it may be accepted for review by the Planning Department. However, such applications may not proceed past Preliminary Site Condominium approval until all required parcel splits and/or combinations have been executed to the Township Assessor's satisfaction. No application for Final Site Condominium will be accepted until the Planning Department until such condition is met.
