

M-59 Reconstruction Macomb County

March 2017 - October 2018

What Is Being Done?

The Michigan Department of Transportation (MDOT) will invest \$63 million to reconstruct 3.7 miles of M-59 (Hall Road) through Sterling Heights, Utica, and Clinton, Macomb, and Shelby townships. Work will include new pavement and improved drainage, traffic operations and pedestrian access. Enhanced landscaping and other aesthetic improvements are planned as well.

What Is Being Done?

Beginning March 2017, work will occur from M-53 to west of Garfield Road in 2017. In 2018, construction will proceed from west of Garfield Road to Romeo Plank Road. The project is expected to be finished in October 2018.

How Will Traffic Be Affected?

Three lanes will be open in each direction on Hall Road every day, including weekends, except 9 p.m. - 6 a.m. Backups and delays are expected. All businesses will remain accessible during construction.

Follow www.michigan.gov/drive and [www.twitter.com/MDOT_MetroDet](https://twitter.com/MDOT_MetroDet) for up-to-date lane closure information.
