July 1, 2017

Dear Homeowner,

As a courtesy, I am notifying you of a resolution that was passed by the Macomb Township Board of Trustees on March 22, 2017 regarding delinquent water/sewer accounts. This resolution allows for a 15% penalty to be added to water & sewer charges that are over 30 days delinquent and will be transferred to winter tax bills.

We encourage residents with delinquent accounts to bring them into good standing prior to October 31, 2017 so that they are not adversely affected by this change. As always, Macomb Township will accept partial payments, however, any delinquency transferred to the tax bill will be subject to the additional 15% penalty. For your convenience, payments can be made through the township website. Checking or savings account payments are available without convenience fees by selecting the electronic check payment option using the drop down arrow. Credit or debit card users are responsible for the interchange fees and payments will be processed with a 3% convenience fee.

This policy is not intended to create any un-do hardship on our residents but an effort to remain fiscally responsible. As we strive to make Macomb Township a desirable place to live and work, we also strive to keep our water/sewer rates low while continuing to make necessary improvements to our infrastructure. You may notice some of our capital improvements along North Avenue and soon along 23 Mile Road and also in the area of 26 Mile and Hayes Roads.

Any questions may be answered by contacting the Treasurer's office at 586-992-0710 option 7.

Sincerely,

Karen M. Goodhue
